Dorimar I. Benjamin

Looking for...

Looking for ML and AI opportunities would it to be in the San Francisco area.

About

For me, technology is really magical and I thrive to learn how to better predict the human behaviors that would impact our global climate.

Work Experience

Palantir > Full Stack Developer
San Francisco * Aug 2020-May 2021

Google > ML Software Engineer
New York * Aug 2018-May 2020
